# EAGLE XL AWD AIRCRAFT TUGS

## XL-30 & XL-40

The bigger they come, the harder they pull. The XL Series are the largest tow tractors that Eagle Tugs produces. Featuring a standard All Wheel Drive, All Wheel Steer power train, the XL Series offers superior functionality for moving all “single-aisle” aircraft in all weather conditions. The XL Series are front-operator tow tractors to accommodate an operator and up to 2 passengers. With your choice of a Diesel or Electric power train, the XL Series can meet all of your aircraft handling needs.

### Here is what the XL Series has to offer:

- Up to 40,000 lbs. GVW to handle aircraft up to a B757 in all weather conditions. (up to 1% grade)
- All Wheel Drive power train, providing safe, controlled traction on all surface conditions.
- All Wheel Steering for increased maneuverability of, and around aircraft.
- Available with either Diesel or Electric power trains.
- Ergonomic front-operator compartment that sits up to 3 people.
- Low-profile design that allows operators to safely and efficiently handle aircraft.
- Designed with carefully matched components, resulting in minimal or no unscheduled maintenance or repair, and is backed by an industry leading 3-yr/3,000-hr warranty.
- Unparalleled reliability and factory-direct service and support is the Eagle Tugs advantage.
- Eagle Tugs has over 40 years of experience designing, building and supporting reliable tow tractors.

### STANDARD FEATURES

- All Wheel Drive
- All Wheel Steering
- Low profile
- Power steering & braking
- Front & Rear brakes
- Low oil/high temp shutdown system

### RECOMMENDED OPTIONS

- Front & Rear hitch
