Home Medical Equipment

Our staff provides more than equipment.

We understand how important it is to know how to use the medical equipment your physician prescribes. Our staff will deliver and set up your equipment, provide you with education on its use, and be there to answer any questions when you call.

In addition, we specialize in oxygen therapy and have a respiratory therapist available to assist.

A complete line of medical equipment.

The medical equipment and products we offer include:

Oxygen: Services/Therapy

- * Concentrators
- * Nebulizers
- * Suction machines
- * Overnight oximetry

Sleep

- * CPAP
- * BiPAP

Home Medical Equipment

- * Hospital Beds
- * Wheelchairs
- * Commodes
- * Walkers/Canes/Crutches
- * Patient lifts

- * Lift chairs
- * Bathroom safety equipment
- * Compression stockings
- * Soft good orthotics/prosthetics

We're available.

Our staff and services are available to you 24 hours a day, seven days a week. Our customer service includes coordinating all of your medical supply needs through our network of providers, verifying insurance coverage and filing your insurance claims on your behalf.

Call us at (269) 789-7034. Or call us toll-free at (877) 883-5636 to find out how we can help you. We look forward to serving you!
