

For Your School, Agency or Organization

Take advantage of trainings tailored to meet your specific needs. Participate in focused, relevant discussions that will elevate your knowledge and provide your staff with immediately applicable tools and techniques.

Allow TLC to train your entire team on-site, ensuring that all staff members share in the learning experience and outcomes.

TLC Trainings

- *TLC Customized Trainings are offered as part of the certification program, if requested.*
- *TLC Customized Trainings are available in the U.S. and Canada*
 - *Register your team for an existing training OR*
 - *Work with TLC consultants to design a training that best addresses your needs*
