

HONORING OUR DONORS

Making an Impact

“I’m in a way better place today. I’m making the next right choice, to follow that narrow, more difficult road, but ultimately the right one.”

These are the words of a client at a Pine Rest outpatient clinic, a client who is committed to life change, to not be a victim to her past or to her previous self-destructive behaviors. She has been impacted by the compassionate care found at Pine Rest. And you had a part in this life changing moment.

Such moments do not occur by happenstance, but develop when well trained, motivated staff engage troubled individuals with interventions that promote the healing desired. For Pine Rest the path to these “healing moments” often begins with the support given by the Foundation. Our resources provide opportunity for research and training that enables staff to create life-changing impact.

And the resources of the Foundation come from you. Thank you for another year of generous stewardship. Your giving has allowed the Pine Rest Foundation to endorse its mission to “enhance” the services of Pine Rest and therefore make a healing difference in the lives of individuals and families.

Your gift keeps on giving.

And to continue more healing moments I would like to echo the words of the Apostle Paul from 2 Corinthians 8:7.

“But just as you excel in everything — in faith, in speech, in knowledge, in complete earnestness and in your love for us — see that you also excel in this grace of giving.”

With Gratitude,

Randall Johnson
Executive Director
