

Aspen Surgical's Colby Fluid Management Products

- Help prevent slips and falls in the O.R. by managing fluid that falls on the floor from fluid intensive procedures
- Facilitate quick turnaround time for O.R.'s by keeping the floor clean and dry
- Occupational slip, trip, and fall (STF) incidents are a significant source of workers' compensation claims and costs in health care settings. Bureau of Labor Statistics (BLS) data from 2007 indicates:
 - STF accounted for 22.7% of all nonfatal occupational injuries and illnesses involving days away from work in 2006
 - STFs accounted for 21% of lost-time injuries to healthcare workers in 2006
 - Incidence rate of lost-workday injuries from STFs on the same level in hospitals was 74% greater than the average rate for all other private industries combined

- Help protect healthcare professionals and housekeeping personnel from contact with contaminated substances and aids in efforts to comply with OSHA's Bloodborne Pathogens Standard

Waterbug®

- Keeps the floor dry by suctioning fluid from the floor. Works with standard wall suction that is in every O.R.
- Easily maneuverable. Use foot to drag device to where the fluid is pooling. Device will not stick to ground
- Suctions fluid from top and bottom
- Tubing is positioned at the side of device to help prevent tripping
- Works with standard wall suction
- Extremely quiet operation decreases distraction to O.R. staff. As quiet as soft indoor conversation

EvacMat®

- Absorbent mat with suction capabilities
- Able to suction unlimited amounts of fluid
- Red-bag friendly
- Works with standard wall suction
- Extremely quiet operation decreases distraction to O.R. staff. As quiet as soft indoor conversation
- Low profile allows for the O.R. staff to roll equipment over the mat without loss of suction
- Large enough for two people to stand on

SurgiSafe® Floor Mats

Yellow Mat

- Our most durable mat. You can easily roll over without tearing or shredding the mat
- Absorbs fluid from top and bottom of mat

White Mat

- Our thickest and most absorbent mat
- Absorbs fluid from top and bottom of mat
- May be placed on a wet or dry floor

Blue Mat

- Features a skid-resistant, fluid-barrier backing that keeps the O.R. floor dry and prevents staining
- The top layer has superior wicking ability to prevent pooling and splashing

CinchMat®

- Our blue mat with a pull cord design for easy disposal
- Simple and fast cleanup for quick O.R. turn-around times
- The top layer has superior wicking ability that quickly absorbs irrigants, blood, and other bodily fluids from the O.R. floor to prevent pooling and splashing
- Skid resistant fluid barrier backing ensures that the floor beneath the mat remains dry and prevents staining
