

2012 – 2017 Ski-Doo Ski Runner Part Number Information

Ski-Doo snowmobiles, 2012 through 2017, will have one of the following skis installed from the factory. Ski models are DS, DS2, DS3, SL, R and the Pilot 5.7 & Pilot 6.9. Please verify ski on your snowmobile.

The single runner series for the Ski-Doo skis is 9500.

The Dooly™ and Slim Jim® 9500 only fit the Pilot 5.7 and Pilot 6.9 skis as noted in the chart below. To confirm which runner you can use on your Ski-Doo snowmobile, check Woody's Runner Charts or [Woody's Application Guide](#).

**If you have a TS ski – please contact your Ski-Doo dealer for replacement runners.
