NAVIGATOR™ SKI PROTECTOR

NOW for the Polaris Pro Steer Ski

Woody's Navigator™ Ski Protector is an accessory that will protect your skis from wear. While protecting your ski, it will also help reduce darting. New for the 2016-2017 season is a Navigator™ for your Polaris Pro Steer Skis.

The Navigator™ is available for Ski-Doo Pilot and Polaris Pro Steer skis.

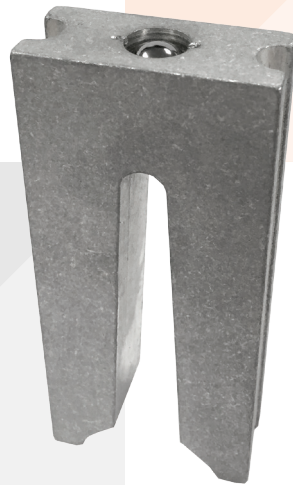

**2.86 PITCH QUIET PAD
TWO-PLY TEMPLATE**

Woody's 286QUIET-TEMP is for 15" X 129" tracks with stud patterns 90 & 135 and 15" x 137" tracks with stud patterns of 96 & 144.

**SNOWMOBILE TRACK
CLIP TOOL ACCESSORY**

Replacement Anvil for use with Woody's Track Clip Installation Tool (TCT-TOOL) which allows use on snowmobile tracks with lugs up to 3 inches. This replacement Anvil does not come with Woody's Track Clip Installation Tool and needs to be purchased separately.
